To Whom It May Concern

BALANDRA DYANEL LANCEA ESTILLORE (Adm. No: 2200690B) graduated from the School of Engineering, Temasek Polytechnic, with a Diploma in Computer Engineering in March 2025.

Lancea did well academically, having a cumulative Grade Point Average (GPA) of 3.3 out of 4. Lancea had obtained A and B+ grades for 16 subjects. She showed strength in a balance of subject areas such as Mathematics, Physics, Computer Programming (Python), Circuit Analysis, Data Visualisation and Analytics, Internet of Things Project, and Higher Engineering Skills 1 and 2.

Lancea was awarded the TP Scholarships for the first 2 years and so was given opportunities by TP to be involved in some leadership programmes including overseas study trip. She is outstanding in Co-curricular Activities, scoring 285 points which is the "Excellent" grade. Some important programmes she took part in were:

- ENG Olympiad AY2022/2023
- ENG Peer Tutoring April AY2023/2024
- POL-ITE Tchoukball Championship AY2023/2024
- TP Scholar (Engineering) Overseas Study Trip Korea AY2023/2024
- TP-ENG & KNIT (Japan) Student Exchange Programme Sep AY2024/2025
- POL-ITE Tchoukball AY2024/2025

Having taught Lancea in one subject and as her care person, I found her to be a responsible and obedient student.

We wish Lancea all the best in her future endeavours.

Yours sincerely,

Tan Chwee Keng (Mr)
Senior Lecturer and Care Person
Diploma in Computer Engineering
